M.Ed. in International Education

Madrid, Spain
The College for International Studies Campus (www.cis-spain.com)

Leysin, Switzerland
Leysin American School Campus (www.las.ch)

Prague, Czech Republic
Open Gate School Campus (www.opengate.cz)

Learning Outcomes

Upon completion of the program students will:

- Discover and articulate a personal philosophy of leadership.
- Develop a repertoire of strategies to communicate with individuals who represent various cultural groups.
- Identify and interpret research and theories that provide a framework for assessing and addressing issues in an international school setting.
- Implement a broad variety of curriculum theory, design, and successful practices.
- Describe multicultural, multilingual issues that deal with teaching and social changes in schools that have linguistically, culturally, and ethnically diverse populations.
- Identify and analyze future trends and issues related to the functions and roles of practicing leaders in international school settings.

To Apply

1. Return the completed application along with a non-refundable fee of U.S. $50 (payable to Endicott College) to the address below.
2. Arrange to have the following information sent along with your application or under separate cover:
   a. Official transcripts of all academic work
   b. Two letters of recommendation
   c. A 250-500 word essay explaining your professional goals
