Visitor Entrances

- E1** Main Entrance
- E2** West Gate
- E3** East Gate

1 College Hall

Built in 1916, College Hall is home to our administrative offices—including the Office of the President, Office of Admission, Office of Financial Aid, Registrar, Bursar, IT Support, and Business Office. Feel free to walk around to our back patio for a view of one of Endicott's private beaches.

2 Public Safety & Police

With a staff of public safety officers as well as sworn police officers, our commitment to safety is a top priority. Endicott's emergency blue light network, visible throughout the campus, adds an extra layer of security for students in need of immediate assistance.

3 Center for Belonging

Unveiled in the fall of 2022, the newly renovated Center for Belonging is the campus hub for inclusive programming and activities, as well as all things spiritual life.

4 Callahan Center

Renovated in 2014, the Callahan Center is the hub of campus. On the lower level, you will find Student Affairs, Student Engagement, Community Service, Residence Life, and our Health & Wellness Center. Endicott's Health & Wellness Center is full-service with counselors, nurse practitioners, and a supervising physician and counselor on staff. Lower Callahan hosts daily events and is a great place for students to hang out. You will also find that it is home to EC Radio, our student-run on-campus radio network!

On the upper level of the Callahan Center you will find the main dining hall, which offers a wide variety of freshly prepared meals.

5 Curtis L. Gerrish School of Business & Ginger Judge Science Center

As you enter the Gerrish Business & Judge Science Center, you will find the main lobby where students enjoy hanging out and studying in between classes. Einstein Bros. Bagels serves as another food option for students to enjoy on the first floor. The building is home to the Gerrish School of Business on one side, and the School of Science & Technology on the other. Walk around the facility for a glimpse of our MakerSpace, 3D printers, team-building classrooms, and cutting-edge laboratories.

6 Cummings School of Nursing & Health Sciences

Opened in the fall of 2023, the Cummings School of Nursing & Health Sciences is a state-of-the-art building that completes the College's integrated academic quad located at the heart of campus. Home to the nursing and sport science programs, inside you will find Endicott Hospital, simulation labs, and athletic training labs as well as stunning views of campus. The building was funded through a generous \$20 million gift from Cummings Foundation.

7 Hempstead Stadium (athletic complex)

Melissa Hempstead '69 Stadium is one of our three athletic fields and hosts our NCAA DIII men's and women's soccer, lacrosse, and men's football as well as some of our club and intramural programs. Field hockey, softball, and baseball fields can be spotted in the general area as well.

8 Post Sport Science & Fitness Center

Through the main entrance of the Post Center to your right is a full-service fitness center with group classes offered as well. At the end of the hall is the MacDonald Gymnasium, home to men's and women's volleyball and basketball. Upstairs you will find the field house where many intramurals are held, along with team practices and larger campus events such as our Internship, Co-Op & Career Fair, Relay for Life, concerts, and more.

9 Samuel C. Wax Academic Center & Hempstead Commons

Built in 2019, the Wax Academic Center is home to the Schools of Education and Social Sciences, Communication, & Humanities. Hempstead Commons was completed in late 2020 and features seminar rooms, a cafe, and the Cleary Lecture Hall.

10 Diane M. Halle Library

The Diane M. Halle Library, located in the heart of the campus, is a major academic support unit for students. The library is a hub of information resources and a gathering place for students, staff, and faculty alike. It is also home to the Van Loan Division of Professional Studies and academic services such as the Tutoring & Writing Center, Office of International Education, Internship & Career Center, Cyber Cafe, and classrooms.

11 Walter J. Manninen Center for the Arts

The Manninen Center for the Arts is where you will see creativity bloom. This building is home to the School of Visual & Performing Arts and features art galleries, a 250-seat state-of-the-art performance center, a recording studio with soundproof practice rooms, a digital printing laboratory, a black box theater, and many studios for various art classes.

12 First-Year Housing Area

The first-year housing area includes a group of residence halls in close proximity to one another—each unique in its own way. Rooms of two, three, or four, or a suite of five or six are available. Some residence halls include private bathrooms while others offer shared bathrooms on each floor, laundry rooms, and common areas which provide space to socialize or study.
