Parking and Traffic Regulations 2024-2025

I. PURPOSE

The information contained herein is also available on the Public Safety and Police page on MyEndicott. To navigate there, log into MyEndicott, click on the EC Community tab on the top row, then click Public Safety and Police on the left side of the screen.

The Department of Public Safety and Police has been delegated the authority to enforce parking regulations necessary for the safety and welfare of the College community. From time to time it may be necessary to amend, rescind, modify, or edit existing parking regulations at which time appropriate notifications will be made to the College community.

The Parking and Traffic Office is located in the lobby of the Public Safety Center at the main entrance of the College. For Academic Year 2024-2025, the business hours of the Parking and Traffic Office are as follows:

- Monday through Friday 8:00 a.m. to 4:00 p.m.
- Saturday, Sunday CLOSED
- Traffic Hearings Wednesdays 10:00 a.m. to 2:00 p.m.

Visitors may still obtain a visitor parking pass, or community members who have already registered for parking may obtain a temporary parking pass, at the Police Dispatch window – also in the lobby of the Public Safety Center – after hours or when the Parking & Traffic Office is closed.

II. SCOPE

The Parking and Traffic regulations are applicable to all students, faculty, staff, and visitors of the College. College parking regulations are part of the terms and conditions placed upon students, faculty, staff, and visitors when entering onto the private property of Endicott College to park motor vehicles and to operate a motor vehicle on the College roadways and within its parking facilities.

It is the responsibility of all Endicott community members bringing a vehicle to campus to read and follow these policies and regulations. Please contact the Parking and Traffic Office with any questions at one of the following numbers:

- Phone: 978-232-2227 or ext. 2227 from on-campus phone.
- Email: parking@endicott.edu
- Fax: 978-232-5226

III. REGISTRATION, FEES, AND DECAL PLACEMENT

A. Registration Process

Vehicle registration for the fall 2024 semester will begin on July 8, 2024. All students who are eligible for a parking decal must pre-register online at MyEndicott. Once all paperwork required is submitted your decal will be available for pick-up at the Parking and Traffic Office and/or after hours at Public Safety Dispatch.

All students who will be using a vehicle registered outside of Massachusetts, whether they are a resident or a commuter student, are required by Massachusetts law to submit a Nonresident Student Driver Statement form. This form is located on the Parking and Traffic page at MyEndicott. The form, once completed, can be faxed to 978-232-5226, emailed to parking@endicott.edu, or dropped off at the Parking and Traffic Office located within the Public Safety Center. There is a drop box at the Parking and Traffic Office window to drop the Nonresident Driver forms outside of regular business hours.

Instructions for registering a vehicle on campus:

- To register your vehicle, you must first login into MyEndicott.
- Once logged in, you will choose the EC Community tab on the top of the page.
- On the left-hand column, you will click on Public Safety and Police and then choose Parking and Traffic. The Vehicle Registration Form and Massachusetts Department of Transportation form are located on this page.
- Please note: if you need to register a different vehicle, you will need to contact the Parking and Traffic Office. **You are also required to return the invalid decal to the Parking and Traffic Office.**

Registration Fees (including motorcycles, mopeds, scooters)

- Undergraduate resident students: \$400.00 per year
- Graduate resident students: \$400.00 per year
- Full-time undergraduate commuter students: \$225.00 per year
- Part-time undergraduate commuter students: \$150.00 per year

Fees for parking permits are non-refundable. The fee for a student's parking permit is applied to the student's tuition account. Please contact the Bursar's Office at 978-232-2035 with questions or concerns related to financial matters. *The Parking and Traffic Office does not have the authority to issue refunds, alter fees, etc.*

B. Decal Placement

The parking permit must be affixed inside the front windshield on the lower driver's side corner. Failure to properly display a permit in the required location will subject the vehicle to citations and towing. In accordance with the Commonwealth of Massachusetts regulations, the Nonresident Driver decal must be affixed inside the front windshield behind the rear-view mirror.

IV. TEMPORARY PARKING PASSES

Community members with a current parking decal, who based on extenuating circumstances require them to temporarily drive a different vehicle, may be issued a Temporary Parking Pass from the Parking and Traffic Office for a maximum of one week.

Community members who have not been issued a parking decal, who based on extenuating circumstances need to temporarily drive a vehicle on campus, may be issued a Temporary Parking Pass from the Parking and Traffic Office for a maximum of one week. These passes are limited to three (3) per semester per person. The fee for a weekly pass is \$100.00. These temporary passes for community members without a decal can ONLY be issued by the Parking & Traffic Office.

Any person using or found in possession of an altered or fraudulent Temporary Parking Pass will be assessed a \$500.00 fine and may lose his/her parking privileges on campus. This also applies to anyone found in possession of a fraudulent parking decal. (altered, photocopied, etc.)

V. PARKING AREAS

Unless clearly designated as a parking space or parking area with signage, all roadways on campus, whether marked or unmarked as a fire lane, are considered fire lanes and must be clear of parked vehicles at all times. This would include parking in front of buildings, in gated areas, in travel lanes within parking lots and areas painted with hash marks. Areas covered with wood chips, grass, and gravel are not considered legal parking spaces.

Illegally parked vehicles will be issued a ticket and subject to being towed without warning and at the owner's expense. Towed vehicles will be located at New Beverly Auto Clinic at 126 Rear Park Street in Beverly, MA. (Telephone # 978-922-3650).

Parking Lot Designations

Campus parking lots are designated by a color-coded system; community members are allowed to park in lots in which the colored border of the parking lot sign matches the color of the community member's assigned parking decal. For a visual representation of the designations, please refer to the online parking map at endicott.edu/trafficoffice

Unless otherwise posted or announced, parking lot designations are in effect 24 hours a day, seven days a week. Parking in any lot other than the permit-authorized lot is a violation and may result in ticketing and towing without warning at the vehicle owner's expense.

A. Visitor Parking

A “Visitor” is defined as any individual visiting the campus who is not a member of the Endicott community. All visitors must register and obtain a Visitor parking pass from the Parking and Traffic Office located within the Public Safety Center.

To acquire this pass, the visitor will need to provide a valid ID, the vehicle license plate number, vehicle make, model, and color.

Unauthorized vehicles found parked in any visitor’s space will be issued a citation and may be subject to tow without warning at the owner’s expense.

B. Reserved Spaces

Reserved spaces on campus are designated as such by special signage indicating that the space is reserved for a particular reason (e.g., Silver Decal, Parking by Permit Only, Reserved Parking, etc.). Unauthorized vehicles found parked in reserved spaces will be issued a citation and are subject to tow without warning at the owner’s expense.

VI. UNDERGRADUATE STUDENT PARKING

A. Resident Students with More Than 30 Credits - Eligibility:

Resident students, who have completed 30 college-earned credits towards their Baccalaureate Degree Program from Endicott College or elsewhere, are authorized to have a motor vehicle on campus.

Resident students with less than 30 college-earned completed credits towards their Baccalaureate Degree are prohibited from (a) registering or having a vehicle on campus unless they have been approved for a waiver under the limited circumstances set forth in Section B of this section.

Any student requesting a parking permit for a vehicle that is not registered to them, or to an immediate family member (parents or sibling), must have a signed letter from the registered owner of the vehicle granting permission to the student to use the vehicle. The student requesting a parking permit for a vehicle not registered to him/her will be responsible for any violations the vehicle incurs and/or any damage(s) caused by the vehicle while on campus property.

B. Resident Students with fewer than 30 College-Completed Credits

Resident students, who have fewer than 30 completed college-earned credits towards their Baccalaureate Degree Program, are NOT authorized to have a motor vehicle on campus.

Any resident student with fewer than 30 college-completed credits who brings a vehicle onto campus without prior written approval from the Parking and Traffic Office will be subject to ticketing and towing at the owner's expense and will lose parking privileges for their sophomore year. Towed vehicles will be located at New Beverly Auto Clinic at 126 Rear Park Street in Beverly, MA. (Telephone # 978-922-3650).

Resident students with fewer than 30 completed credits may seek a waiver for a documented medical exemption. Any such request must be supported with medical documentation. Please be advised that all requests for a medical exemption are vetted through the College's Accessibility Office. If approved, a temporary pass or decal will be issued for the period of time needed to support the medical condition.

The Waiver Request Form is located online at the Public Safety and Police section of MyEndicott and must be submitted no less than one (1) week prior to the date needed. Last minute waiver requests will not be accepted. Extreme circumstances will be considered on a case-by-case basis. Anyone granted a waiver under this section may be required to park in designated lot as specified by Endicott Police personnel.

As the Parking and Traffic Office does not conduct business on the weekends, voicemail messages should not be considered a form of approval and parents or guardians SHOULD NOT send their student back to campus with a vehicle without speaking directly with Parking and Traffic Office personnel.

The Parking and Traffic Office will not issue a Temporary Pass or permanent Parking Decal to a student with fewer than 30 completed credits for any duration unless the Parking and Traffic Office has granted the student's waiver request.

C. Commuter Students

Commuter students, regardless of the number of completed credits, may register a vehicle with Endicott and purchase a parking decal.

XIV DAMAGE OR THEFT

Endicott College shall not be responsible for any loss or damage to a vehicle, its accessories, or its contents due to theft, accident, fire, flood, or otherwise while on the College's campus. The responsibility for a vehicle, its accessories, and contents while on campus, shall at all times reside with the registered user and/or operator of the vehicle. Registered users should take precautions such as always locking valuables and vehicles and activating anti-theft devices. Registered users also should ensure that they have appropriate insurance coverage for this purpose.

XV TOWING

The Endicott Police Department is authorized to remove, impound, or immobilize any vehicle on College property at the owner/operator's risk and expense. If possible, an attempt will be made to identify, locate, and notify the owner prior to the towing of a vehicle off campus. A vehicle is subject to being towed when:

- A vehicle is left under circumstances that indicate that it has been abandoned; i.e. expired or missing license plates.
- A vehicle is parked in a Handicap space without a Handicap pass or placard.
- A vehicle is in violation of snow removal operations or within restricted posted areas for construction.
- A vehicle constitutes an impediment to vehicular traffic flow or pedestrian travel.
- A vehicle is parked in a fire lane, a crosswalk, blocking a fire hydrant, or blocking building ingress or egress.
- A vehicle is blocking emergency response vehicles, whether or not an emergency is in progress.
- A vehicle is not registered with the College, and has received three (3) or more citations. (Immediate tow - no notification)
- A registered vehicle is issued its fourth violation. (Immediate tow - no notification)

All vehicles towed off campus are towed to New Beverly Auto located at 126 Rear Park Street, Beverly, Massachusetts. The phone number is 978-922-3650. Towed vehicles will not be released until full payment is made to the tow company.

Towing and storage charges are billed directly from the towing service and payments need to be made with the towing service. The College is not responsible for damages to vehicles towed from College property or streets. Claims for damages due to towing must be submitted to the towing company. Tow companies can lawfully assess a drop charge where a properly summoned tow truck arrives, but due to owner/operator intervention, the vehicle is not towed. All towed vehicles are subject to being fully inventoried by Endicott Police prior to towing.

Impounded vehicles not claimed by the owner/operator within 30 days will be considered abandoned and disposed of by the tow company in accordance with Massachusetts General Laws. In the event a vehicle is towed, but relocated on campus, a separate Endicott Police Department citation with a \$125.00 fine will be issued.

XVI. REVOCATION OF DRIVING PRIVILEGES

When a community member's privilege to maintain or operate a motor vehicle at Endicott College is revoked, that community member is given until the upcoming weekend to turn in their issued parking permit and remove their vehicle from the campus. Once privileges are revoked, if the community member returns to campus with a vehicle, the vehicle is subject to immediate towing off-campus without warning.

Disobeying a revocation order will result in disciplinary action. Irresponsible or reckless operation of a motor vehicle or repeated or serious motor vehicle infractions may result in the revocation of driving privileges on campus.

Endicott College reserves the right to revoke a community member's driving and parking privileges at any time.

XVII. SNOW EMERGENCIES

A snow emergency is a declared state as determined by College officials caused by impending weather conditions or existing snow accumulations. The campus may remain open, but parking restrictions will apply. Snow emergency parking procedures will be posted and distributed to all students prior to winter

months. Once a snow emergency has been declared, announcement of the emergency will be broadcast by several different methods.

Blue strobe lights will typically be activated twelve (12) hours prior to a storm's estimated arrival. When the blue strobe lights are activated, all vehicles parked in parking spaces with a blue "NO PARKING DURING SNOW EMERGENCY" sign or BLUE LINED SPACES, must be moved from those spaces. The "SNOW EMERGENCY" spaces are then not to be used until Physical Plant completes the snow removal and the blue strobe lights are turned off.

There are four (4) blue strobe lights on campus:

- Public Safety Center (main gate)
- Public Safety substation (across from Marblehead Hall)
- Physical Plant
- Endicott Hall

A. Snow Removal Process:

Once a timeline is created by Physical Plant and Endicott Police regarding the removal of snow in the parking lots, an email will be sent to the community informing them of when and where to move their vehicles.

Residence Life will create posters and signs for the Residence Halls for when and where cars should be moved.

Residence Life staff will be available within their respective halls for questions that students have regarding snow removal.

Each student is responsible for the removal of snow from their vehicle.

Enforcement During a Snow Emergency:

In the event that a student cannot be reached by Endicott Police Department to remove their vehicle during a snowstorm, the vehicle will be towed.

Vehicles with valid parking decal towed for snow removal purposes will be issued an Endicott Police Department ticket (\$125.00) and towed to another lot on campus.

Vehicles without a valid parking decal that is towed during a snow emergency will be issued an Endicott Police Department citation for "NO DECAL" - \$100.00 fine and towed off campus. A separate tow fee will be charged by the private tow company, New Beverly Auto, located at 126 Rear Park Street in Beverly, MA (Phone: 978-922-3650).
